

Patient Portal

Sydney Imaging Specialist's Patient Portal is ideal if you...

Need to share with other health professionals such as specialists, physiotherapists, or chiropractors.

Have a long-term medical condition and need your imaging history.

Travel - have your scans instantly available when away from home.

Wish to always have secure mobile access to your imaging results.

Want to view your Images and report?

ACTIVATE

Within 2 hours of your imaging, you will receive an SMS asking you to activate your account. Tap on the link in the SMS and follow the prompts.

*Your username is the mobile telephone number you provided to reception staff.
You will be asked to set a password during the account activation process.*

REPORTS

We send your report without delay, directly to your doctor as he/she is in the best position to interpret your results and recommend further treatment. Your report will be available in your patient portal 4-6 days after the report has been completed by our Radiologist.

DESKTOP

You can also access your images and reports on a desktop computer, using the same mobile number and password (set during activation), via:
<https://patient.sydneyimaging.com.au>
