# How to add the SIS Bookmark - Computers with InteleViewer installed

1. Launch InteleViewer from the desktop shortcut or start programs menu.

2. **Click** the Edit Bookmarks button.

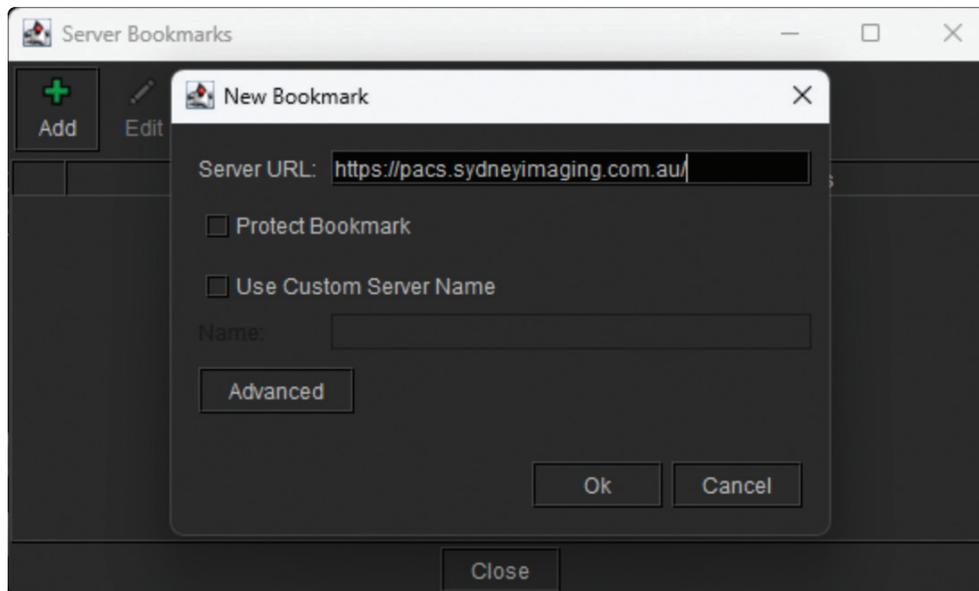

3. **Click** the add button.

How to add the SIS Bookmark Computers with InteleViewer installed

4. The new bookmark window will open.

5. In the Server URL field, **type** the following address: https://pacs.sydneyimaging.com.au/

6. **Click** the OK button.

7. InteleViewer will validate the address. Note internet access is required for this to work.

8. Once completed, you will see that it is added to the server bookmarks list.

9. Click the **Close** button.

10. You will see the bookmark: https://pacs.sydneyimaging.com.au/ on your list.

How to add the SIS Bookmark Computers with InteleViewer installed

11. **Click** on https://pacs.sydneyimaging.com.au/

12. **Type** in your username and password and **press ENTER** or **click** the right pointing arrow button in the InteleViewer window

Alternatively, for web portal access, type the URL https://pacs.sydneyimaging.com.au/ into your web browser and enter your InteleViewer login details.

13. Once the confidentiality agreement page opens, please read the agreement, and click the button **I agree.**

14. Close this window now and return to InteleViewer.
